

BE PAID TO START YOUR CAREER IN COMMUNITY SERVICES

SCHOOL-BASED TRAINEESHIPS FOR STUDENTS

Traineeships give you the opportunity to **earn while you learn!** As a school-based trainee, you will undertake actual workplace training while you're still at school, you'll earn an income and a nationally accredited qualification. On completion you will be a qualified worker with extensive work experience!

TRAINEE RECRUITMENT STEPS FOR EMPLOYERS

We can help you find your work placement!

COMMUNITY CARE TRAINEESHIPS – PERSONAL CARE

CHC33021 CERTIFICATE III IN INDIVIDUAL SUPPORT SPECIALISATIONS IN AGEING, DISABILITY OR AGEING AND DISABILITY

Community Care Traineeships will allow you to gain a Certificate III in Individual Support while working to assist people in your community. Personal Care can include working with young people with disabilities through to working with the older generation. Your support will allow those you are caring for to participate fully in society and enjoy living in their own homes for longer. Be a part of the growing Community Care workforce and start a rewarding career in Personal Care today!
