

CONNECT WITH THE COMMUNITY AND PROVIDE STUDENTS WITH A KICK START TO A CAREER IN COMMUNITY SERVICES!

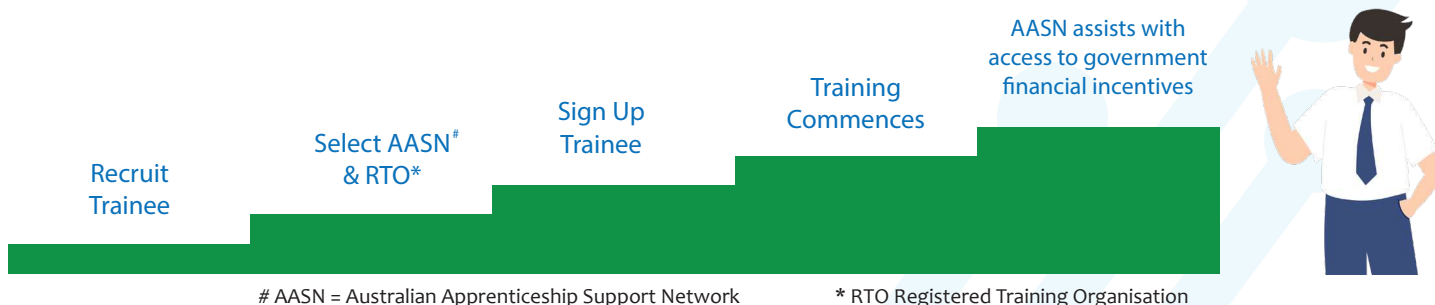

SCHOOL-BASED TRAINEESHIPS

Traineeships give students the opportunity to learn while they earn! Trainees undertake supervised vocational training in a workplace. They earn a wage while learning about the industry and job role and gain a nationally accredited qualification on completion. Successful trainees are highly valuable employees who gain extensive work experience in their employers organisation, helping businesses build the workforce they need and want.

Skills Generation (RTO 41008) is a trusted provider of high-quality training and assessment services. They offer a specialised program for Schools with high-level support and focus on successful outcomes for students choosing a Vocational Education and Training (VET) pathway, further study and entry to the workforce.

Skills Generation's dedicated and experienced Traineeship staff support schools and students throughout the school-based traineeship learning journey.

PERSONAL CARE WORKER - COMMUNITY CARE TRAINEESHIPS

CHC33021 CERTIFICATE III IN INDIVIDUAL SUPPORT

SPECIALISATIONS IN AGEING, DISABILITY OR AGEING AND DISABILITY

Personal Care Workers in the Community setting provide services to people whose state of health or disability make it difficult for them to live at home without assistance. This type of work can include working with young people with disabilities all the way through to working with the older generation. Care work is about helping to maintain independence and dignity, and assisting those who would like to live in their own homes for longer.
