

# CHOOSE AN AQF CERTIFICATE III AS A DIRECT ENTRY PATHWAY TO UNIVERSITY!

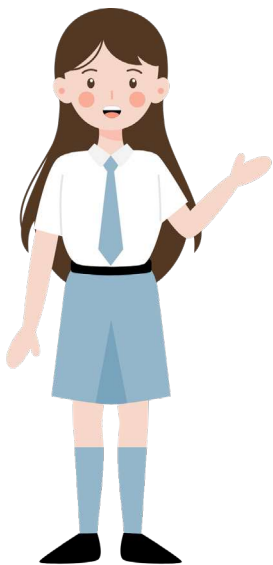

Students who complete a Vocational Education and Training (VET) Certificate III at school qualify for a Tertiary Admission Selection Rank that provides **DIRECT ENTRY TO MANY AUSTRALIAN UNIVERSITIES** and a **WIDE CHOICE OF UNIVERSITY DEGREES**

Certificate III VET courses can contribute credit towards the Queensland Certificate of Education and may be used for tertiary selection in two ways:

- as one of five inputs into a student's ATAR
- as a stand-alone basis for tertiary entry (ATAR and Selection Rank)

A VET Certificate III qualification is allocated a **Tertiary Admission Selection Rank of 68** that provides Direct Entry to many Australian Universities and degrees.

**With a Certificate III qualification students are EMPLOYMENT READY and READY FOR FURTHER STUDY!**

## Jenna's VET Pathway to University

Jenna was achieving mostly B's in school and dreamed of studying at University. She was on track during most of her school life until she entered Year 11. Jenna began experiencing some problems at home and was also having to support herself financially. She struggled to find a balance between her school and work commitments. Jenna found she was unable to keep up with her studies and was failing her subjects, this meant she was not attaining the credits she needed for her QCE.

The leadership team at her school helped Jenna to transition to a Vocational Education and Training (VET) pathway to help her achieve her goals moving towards Year 12. Undertaking VET certificates while also studying some mainstream subjects such as General Mathematics and Science allowed her to increase her QCE credits. Her new pathway allowed her to complete a Certificate III in Business as well as a Certificate II in Workplace Skills.

Jenna was able to successfully complete both her VET courses and school subjects, and receive the required 20 credits needed to gain her QCE. Her Certificate III also gave her a Tertiary Admission Selection Rank that provided direct entry to a number of Australian Universities and degrees. Achieving both an ATAR and a Selection Rank, Jenna gained entry to university and realised her ambitions for further study.

## Skills Generation University Credit Linkages and Articulation Agreements

Skills Generation proudly partners with **Griffith University, Southern Cross University, University of Southern Queensland** and **University of the Sunshine Coast** providing University Pathways for our students via articulation agreements and credit linkages.
